The undersigned ("Landowner") is the owner of the improved real property described in Exhibit "A" attached hereto (the "Property"). The City of Las Vegas. ("City") seeks to use the Property for construction purposes and obtain permission to conduct its operations on the site, including ingress and egress to and from the Property. 2. City will, upon Landowner's request, provide evidence of insurance reasonably satisfactory to Landowner and naming Landowner as an additional insured. Landowner shall not provide security or be responsible for equipment on the Property.

3. City will restore the Property to the same condition as existed prior to their entry or use upon completion of the construction or the expiration of this Consent for Entry. City agrees that it will not materially interfere in any way with the Lessees of Cashman Center or their respective operations. If the City is informed about such interference, the City will stop whatever use that materially interferes with the Lessee or the Lessee's use of Cashman Center.

4. The rights herein granted to the City shall expire on the 1st day of January, 2009.
